Graduate students with a strong sense of purpose and high aspirations for the future find an exciting environment for meeting the challenges of advanced study at UMBC, a rising research university in the Baltimore-Washington corridor.

ADMISSION PROCEDURES
Responsibility for admission to graduate study at the University of Maryland, Baltimore County resides with the office of the Dean of the Graduate School and Vice Provost for Research & Planning.

The admissibility of applicants is a two-part process. The academic departmental graduate admission committee or graduate program director makes an initial determination of the candidate’s admissibility. This determination is reviewed by the Graduate School, which then issues an official decision letter. In all cases the University of Maryland, Baltimore County administers its admissions, educational services and supporting services in a manner that does not discriminate by race, religion, age, national origin, sex or handicap. Complete enrollment and degree requirements are outlined in the Graduate School Catalog. All graduate students are expected to abide by UMBC policies, requirements and procedures upon enrollment.

ADMISSION CRITERIA AND STANDARDS

Grade Point Average (GPA)
The minimum standard for full admission to the Graduate School is a “B” average or 3.0 on a 4.0 scale in a program of study resulting in the award of a baccalaureate degree from a regionally accredited college or university or an equivalent degree from a comparable foreign institution. In addition, the student’s undergraduate program must reflect successful completion of the prerequisites for graduate study in the chosen field. Official transcripts from ALL post-secondary institutions must be submitted to the Graduate School as part of the application packet.

Standards for admission to a doctoral program are generally higher than those for admission to a master’s program. These standards are based on specific recommendations made by the admitting department in conjunction with the Graduate School.

Standardized Tests
UMBC normally requires the submission of scores earned on the Graduate Record Examination (GRE) General Ability test (verbal, quantitative and analytical writing scores). Some programs also require applicants to submit scores earned on the GRE Advanced (subject-specific) test or other standardized tests. Consult the Web site for specific examination requirements. GRE scores are used as part of the data on which admission decisions are based, but they are seldom the sole criterion for admission. Information on the GRE may be obtained from the Graduate School office or from the Educational Testing Service (ETS) in Princeton, New Jersey, USA.

Language Requirements
All applicants are expected to read, speak, write and understand the English language fluently upon entering a graduate program. Applicants whose native language is not English must take the Test of English as a Foreign Language (TOEFL). International applicants with a post-secondary degree from a U.S. institution will not be required to take the TOEFL. The minimum acceptable TOEFL score established by the university for admission is 580 for the paper-based test, 213 for the computer-based test and 80 for the internet-based test; some programs require a higher score. TOEFL information and applications are available from ETS.

International students who receive a teaching assistantship are required to take a test in spoken English upon arrival. Graduate students whose work or tests show English language deficiencies will be required to take remedial English instruction at their own expense.

Program-Specific Criteria
In addition to official transcripts, test scores and letters of recommendation as evidence of academic potential, some programs require additional evidence of ability to succeed in the respective graduate program. These assessment tools may include a portfolio, an interview or other assessment means. Applicants are encouraged to review the specific requirements of the graduate program to which they are applying.

CATEGORIES AND PROGRAMS OF ADMISSION
Applicants may be offered admission to the Graduate School in full graduate status, provisional status, post-baccalaureate certificate or non-degree status.

Students admitted to full status must have submitted complete, official documents indicating a completed baccalaureate degree from a regionally accredited institution or equivalent foreign educational institution. Official standardized test score reports and be fully qualified in the judgment of the individual program and the Graduate School.

Provisional admission is used to admit any degree-seeking student who fails to meet the regular requirements or standards for admission, but who demonstrates potential for academic success in graduate studies. Provisional admission may also be assigned to candidates who lack adequate prerequisites for a given program or who are admitted without complete and/or official documentation.

Students interested in enrolling in a post-baccalaureate certificate program may be admitted degree or certificate-only students. They typically desire an added credential to enhance employment or career advancement opportunities. Applicants should complete the certificate application form if they interested in obtaining only a certificate and not a degree. The degree-seeking form should be completed (with both the desired certificate and program indicated) if the applicant is interested in both the certificate and degree. See the Graduate School Catalog or our Web site for more information on the certificates offered by UMBC.

Non-degree status is designed for students seeking admission for the purpose of enhancing their knowledge by completing one or more graduate courses. A non-degree application form is required for this category of admission.

Students interested in pursuing the Combined Bachelor’s/Master’s Program should make their intentions known to their departmental chair, graduate advisor or graduate program director early in the junior year. Detailed information about this program is available from the Graduate School Catalog or from the individual departments.
The Golden-ID Program permits Maryland residents 60 years of age and older to take graduate courses at little cost. The applicant must be at least 60 years old by the date of registration and retired or working no more than 20 hours a week. Qualified individuals may apply as degree-seeking, post-baccalaureate certificate or non-degree-seeking students. This program enables qualified persons to have tuition and some fees waived. Indicate on page two of the application form your qualification for and interest in this program.

INTERNATIONAL APPLICANTS

It can take many weeks to complete the processing and assessment of an application from overseas and at least two months for student visa processing. International applicants, therefore, are encouraged to pay strict attention to application deadlines and dates and to submit all required documents as early as possible. Some applicants may be requested to have a credentials evaluation performed by an outside agency.

At minimum, international applicants must hold a degree that is equivalent or comparable to a four-year U.S. bachelor’s degree, and they must have a cumulative grade point average equivalent to a “B” or first or high second division or comparable class ranking to be considered for admission.

Provisional graduate status, certificate-only and non-degree status are not normally available to international students. Non-U.S. citizens residing in the U.S. who hold permanent residency status, meet the required language proficiency and possess appropriate academic preparation may be considered for non-degree status.

Transcripts, Mark Sheets and Language Requirements

Applicants must provide an official English language transcript and an official native language transcript or mark sheets from each post-secondary institution attended. Each set of documents must list subjects studied, grades or marks received and rank in class or division.

See Language Requirements section above for information about language proficiency required of students whose native language is not English.

Immigration Documents

International students should enter the U.S. in a visa category that permits a designated program of study. Students must receive the immigration form required for obtaining the appropriate visa from the UMBC International Education Services (IES) office. A student planning to attend UMBC must not use another school’s I-20 to enter the United States since students are required by law to attend the school whose I-20 they use for entry. International students already studying in the United States who wish to transfer to UMBC must secure proper Immigration documents to be granted permission to transfer. Students who arrive unaccompanied in the U.S. but plan to bring dependents later must complete at least one semester of study before requesting visa documents to bring dependents to the U.S. They must show adequate financial resources, as F-2 dependents are prohibited from all employment.

Financial Resources

Each international applicant must certify that he or she has sufficient funds (exclusive of travel expenses) for university tuition, fees, books, supplies and living expenses. Acceptable sources of and documents for certifying financial support include:

1. A notarized letter indicating full name, occupation and address from a parent or sponsor who can secure the financial responsibility for the applicant’s education and living expenses.

2. An original current statement from a bank confirming that sufficient funds are available. As costs and fees change, it is best to check with the IES Office at UMBC to determine the exact amount required to cover educational and living expenses. A bank statement is valid for six months only. Should enrollment be deferred to a future term for any reason, an updated bank statement is required.

3. Official notification of grant, loan or scholarship indicating name and address of awarding institution, amount of funds, extent of expenses covered and number of years.

4. If an applicant is receiving a full assistantship, no additional materials from the applicant are required. A full assistantship from UMBC is sufficient documentation for purposes of obtaining an I-20. No international student can be provided with the required immigration form without proof of adequate financial resources. International students on student visas cannot expect to work off-campus to supplement their financial ability, as such work authorization is generally not allowed. Questions regarding financial eligibility should be directed to the IES Office.

Health Insurance

In addition to having a certificate of immunization, all newly admitted international students are required to have health insurance. Student health insurance is available through UMBC, and all students in F-1 and J-1 status, except those awarded assistantships and those with proof of coverage, will automatically be billed for UMBC’s International Student Health Insurance plan.

APPLICATIONS IN THE FINAL YEAR OF UNDERGRADUATE STUDY

Students in their final year of work toward a bachelor’s degree may be offered admission pending the filing of supplementary official transcripts recording the satisfactory completion of the remaining course work and the award of the degree. Students admitted pending receipt of a baccalaureate degree must submit an official transcript reflecting all course work and award of the degree within three months following such award. Applications engaged in graduate study at another institution are also subject to this policy.

OFFERS OF ADMISSION

Offers of admission are made by the Office of the Dean of the Graduate School and Vice Provost for Research & Planning and specify the time of entrance. The offer of admission requires a response. If the applicant wishes to accept, decline or change the effective date of the offer, for one semester or one year, the Graduate School must be notified in writing or the offer of admission becomes void. Failure to notify the Graduate School before the first day of class or failure to register for the authorized term voids the offer of admission. The applicant must then submit a written request to be considered for a subsequent semester, and additional credentials may be requested.

Students who accept the offer of admission and enroll agree to abide by the rules and regulations of the University of Maryland and the laws of the state of Maryland and the U.S. Government.

Change of Objective, Termination of Admission, Readmission and Deferral

Students are admitted only to a specified program and only for the specified objective, e.g., course work only, post-baccalaureate certificate, master’s degree, doctoral degree. Students who have been offered admission to more than one program for the same term must notify the Graduate School of their choice. When the offer of admission to one program is accepted, admission to all other programs is terminated since students can be registered in only one graduate program at a time, except in the case of certificate students who may be concurrently enrolled in a degree program. Failure to accept formally an offer of admission into a single program will result in a registration delay.

Students must maintain an average grade of "B" or better during the course of their studies and must otherwise satisfy all departmental and Graduate School program requirements.

Admitted students may request to defer their enrollment up to one academic year upon approval from the department and the Graduate School. For example, a student
APPLICATION GUIDELINES

offered admission for fall 2006 may defer
his or her enrollment to fall 2007, if approved
(deferral is not automatic). If a student cannot
or does not enroll within this time-frame, he
or she must undergo a new application process,
including a new application form, application fee,
academic documents, and updated language
and financial documents. The applicant must
compete with the next entering class.

Maintenance and Disposition of Records
All records, including academic records from
other institutions, become part of the student’s
official file and property of the university.

Credentials of applicants who do not register
for courses for the term for which they have
been admitted, whose applications has been
disapproved, who do not respond to requests
for additional information or whose application
is not complete with respect to the receipt of
all transcripts or test results, are retained for
only one academic year.

ADDITIONAL INFORMATION

Residency

Applicants seeking classification as a Maryland
resident for tuition and charge-differential
purposes must complete a Maryland In-State
status form, which accompanies this applica-
tion for admission. The statement of residen-
cy determination as defined by the USM Board
of Regents appears in Appendix II of the
Graduate School Catalog and the UMBC

Inquiries Regarding Application Status
and Documents

Applicants contacting the Graduate School
regarding the status of their application will
be asked to verify their identity. Applicants
who wish to allow inquiries to be made on
their behalf by a friend or family member must
send to the Graduate School a letter naming
the person(s) authorized to receive such
information. Persons other than the applicant
inquiring about the applicant’s status or file
will not be given such information unless this
written authorization has been submitted by
the applicant.

It takes approximately 8-10 weeks to receive
and match all documents to their appropriate
files. We request that you do not contact the
Graduate School during this time frame, as
we will not be able to accurately respond to
your inquiries regarding the completion of
your application materials.

Funding Graduate Education

Graduate assistantships (teaching, research
and administrative) are available to qualified,
full-time, degree-seeking graduate students.
Most assistantships are awarded by the
program or department in which the student
is enrolled. Applications for assistantships
should be made directly to the department
in which the applicant seeks to study. Some
departments have their own financial assistance
form, which is sent out after receiving the
completed application.

All graduate student applicants (U.S. citizens
and permanent residents only) who wish to be
considered for any assistantship or other form
of financial aid must complete and submit a
Free Application for Federal Student Aid (FAFSA).

More information about assistantships and
need-based financial aid may be obtained from
the Graduate School Catalog, each graduate
program or the Office of Financial Aid,
410-455-2387, www.umbc.edu/financialaid

Housing

There is limited on-campus housing for gradu-
ate students. Most graduate students find
reasonably priced apartments in and around
Baltimore. Housing Information is available
on the UMBC Web site.

ADMISSION APPLICATION PROCEDURES

Admission to graduate programs is highly
competitive; therefore, all applicants are urged
to submit accurate, complete and official
credentials directly to the Graduate School,
and to adhere to the application deadline
dates. Supplementary transcripts of work
in progress at the time of application should
be submitted as soon as available. Delays in
the receipt of academic credentials will cause
delays in the review process for admission.

It is the applicant’s responsibility to see
that all application materials are sent to
the Graduate School.

Instructions for applying online may be found

APPLICATION DOCUMENTS

Mailing Instructions: Complete the entire
application form as instructed. Please type or
print neatly. Once completed, the application
form and all documents must be submitted
directly to:

University of Maryland, Baltimore County
Graduate School, (name) Graduate Program
1000 Hilltop Circle, Baltimore, MD 21250

Do not send duplicate applications!

Include in the address the name of the graduate
program to which you are applying.

Application Fee: A $50 non-refundable
application fee is required. No application fee
waivers or deferrals are granted, except for
McNair Scholars, Project 1000 Students, current
Peace Corps volunteers and Graduate
Horizons participants whose application fees
are automatically waived. Please make sure
your name and Social Security number (if you
have one) are written on the check. Fees
must be paid in U.S. currency.

I. BIOGRAPHICAL INFORMATION

Complete this section as instructed.

• The university uses Social Security
  numbers to identify students throughout
  their educational career. A temporary number
  is assigned to those who do not hold a
  Social Security number. Those who do not
  wish to have their Social Security number
  used for university records must indicate
  this in a letter accompanying the application
  for admission.

• If you attended any college or university
  under a name different from your current
  name, please indicate your prior name in
  this section.

• Ethnic heritage is for informational
  purposes for U.S. citizens and permanent
  residents only.

II. ENROLLMENT OBJECTIVES

• Enter the three- or four-letter code of the
  desired program from the attached graduate
  program list. If the program to which you
  are applying has tracks and/or certificates,
  you must also enter the two-letter track or
  three- or four-letter certificate code, also
  found in the graduate program list.

• Indicate which semester you would like
to begin studies.

• Indicate your degree objective (one only)
  and desired enrollment status.
III. ACADEMIC INFORMATION

• Standardized Test Scores. Indicate your test scores results in the spaces provided and the date(s) you took or intend to take the test(s). Request your official GRE and/or TOEFL score reports to be sent directly from ETS using the addresses that follow:
  Graduate Record Examinations Educational Testing Service
  P.O. Box 6066
  Princeton, NJ 08541-6066
  609-771-7670 (outside the U.S.)

  www.gre.org

  TOEFL Educational Testing Service
  P.O. Box 6151
  Princeton, NJ 08541-6151
  609-771-7300 (outside the U.S.)
  1-877-863-3546 (U.S. and Canada)
  www.toefl.org

Official examination score reports must be sent directly to the Graduate School from the testing agency. The GRE code number for UMBC is 5585. Photocopies of score reports are not acceptable.

IV. EDUCATIONAL HISTORY

Complete each question in this section, even if you applied to or enrolled at UMBC before. Complete the history record chart as instructed. If you attended a college or university with an ETS Institution Code listed in the GRE Information & Registration Bulletin, please write in the number in the appropriate line/column.

Transcripts

Each applicant must submit an official transcript from each post-secondary institution attended. These transcripts must include all undergraduate and graduate course work. Each transcript should bear the signature of the registrar and the seal of the granting institution and should include the years of attendance, courses taken, grades received, class standing and the degree, diploma or certificate conferred. International applicants must provide one official native language transcript or mark sheet, and one official English translation transcript from each college or university attended. Each set of documents must list subjects studied, grades or marks received and the rank in class or division in which the student placed. Students whose universities issue only one set of official records must have their academic records copied and notarized by the university registrar certifying the documents are true copies of the originals. Alternatively, if only one set of official records is provided by the institution, the student may submit a photocopy of these records with their application packet and bring the original document to the Graduate School for authentication upon arrival at UMBC.

List references as requested.

V. FINANCIAL ASSISTANCE INFORMATION

Respond to the questions as requested in this section. Some departments have their own financial assistance form, which is sent to you after receiving your application.

VI. CERTIFICATION

Please read the Certification Statement and sign and date the application form before submitting it.

ADDITIONAL REQUIREMENTS

• Letters of Recommendation. Applicants should submit three letters of recommendation from professors or others who can assess the quality of your academic performance and scholastic potential. Please use the enclosed recommendation form and make additional copies as needed (letterhead is acceptable). These completed forms (or letters) must be sent directly to the Graduate School, not to the program to which you are applying. If the recommender does not use the form, be certain that your full name, semester and the program to which you are applying are indicated by the recommenders on the letters.

• Statement of Goals and Objectives. Each application for graduate study at UMBC must be accompanied by a 300- to 500-word statement of the applicant’s goals and objectives in pursuing graduate study. Use the form included with this packet or outline your statement on a separate sheet of paper and submit it directly to the Graduate School, not to the program to which you are applying. Include a description of relevant work experience as appropriate.

• Residency Form. Applicants must complete this form as instructed.

FACTS ABOUT UMBC

Profile
Mid-sized, public research university offering bachelor’s, master’s and doctoral degrees with programmatic emphases in selected areas of sciences and engineering; mathematics; information and computer sciences; the social sciences, with particular emphasis in public policy studies; and the arts and humanities. With approximately 12,000 undergraduate and graduate students and a rapidly growing research portfolio, the university boasts nationally ranked graduate programs and internationally renowned scholars. Ranked as Doctoral/Research Universities-Extensive by the Carnegie Foundation, UMBC has attained the highest classification for a research university, among only 148 such institutions nationwide (3.8% of American colleges and universities).

Setting
500-acre suburban campus 10 minutes from downtown Baltimore, 30 minutes from Washington, D.C., four miles from BWI airport. Thirty major buildings enclosed by a 2-mile elliptical drive, with housing and dining facilities on one side and core facilities (including classroom/lab buildings, library and galleries, student union, bookstore, gymnasium, Olympic-size pool and tennis courts) surrounding a central walkway.

Baltimore-Washington Region
UMBC’s campus is surrounded by one of the greatest concentrations of commercial, cultural and scientific activity in the nation. Nearby national research centers, libraries and museums are a resource for scholarly activity. Because UMBC is part of the University of Maryland Graduate School, Baltimore, students find it easy to access courses, practical experiences and research opportunities at other University System of Maryland campuses, including the law, medical, pharmacy, dental, nursing and social work schools in downtown Baltimore.

Getting Here
From the north, take Interstate 95 to Route 166 (Exit 47B, Catonsville) or take Interstate 83 to the Baltimore Beltway (I-695) and then take Exit 12C (Wilkens Avenue, West); follow signs to UMBC.

From the south, take Interstate 95 to Route 166 (Exit 47B, Catonsville); follow signs to UMBC.

As you enter campus, proceed to the parking deck off Administration Drive. Parking for visitors is reserved here. The pizza on Administration Drive forms an entrance to the academic corridor. Follow the sidewalk to the Administration Building; the Graduate School is located on the second floor.

Baltimore-Washington International Airport is only 10 minutes away. Bus service is available from downtown Baltimore. Two Amtrak stations also serve Baltimore: at BWI and downtown.
I. BIOGRAPHICAL INFORMATION
(International students who do not have a U.S. Social Security Number will be assigned a temporary student identification number.)

1. Social Security Number *(To be considered for federal, state and institutional aid, a social security number (SSN) is required. If a student is due a refund for any reason during attendance at UMBC, a SSN is required. International students are not required to have SSN unless the student will be working, for example, as a graduate assistant. In this case, the SSN can be obtained after arrival in the United States.)

The following are topics for two required essays. Each essay should be 300-350 words.

1. Based on your understanding of the M.A. in Management of Aging Services, describe your motivation for pursuing this degree. Ensure that you include how the program would help you to develop professionally and to reach your career goals. Please be specific and provide examples.

2. Leadership skills often can be observed first-hand. Compare and contrast one effective leader and one ineffective leader with whom you have had personal interaction. What made them effective or ineffective? How has your exposure to these two individuals influenced your own approach to leading?

Please add additional pages if needed.
I-20 Financial Requirements for F-1 Students

Checklist of Documents For I-20 Processing
If these documents are not sent with your application, please email the documents to ies@umbc.edu:

- Admission to UMBC (no need to send proof, but you must be admitted to request an I-20)
- Proof of available finances from a viable source, for amount required per fee structure below.
- Letter or affidavit of support from financial sponsor if not yourself or UMBC (sample letter: http://undergraduate.umbc.edu/PDF/finsupp.pdf)
- Recommended: Copy of your Passport to ensure accuracy of all information

Sources of Funding
US Immigration Law requires that a student requesting an I-20 and an F-1 visa must prove that they have adequate funding to support all expenses for at least one year of study.

Acceptable sources of funding include checking and savings account bank statements, approved loan documents, scholarships and Graduate Assistantship awards.

Unacceptable sources include real estate holdings, stocks, bonds, salary verification letters, retirement funds, property, life insurance policies and unapproved loan documents. These are not accepted because they are not readily available to you, or because the value can change.

If the source of these funds belongs to anyone other than you, a signed letter of support must accompany the bank documents. The letter must include the name of the sponsor, the sponsor’s relationship to you and a statement attesting that they expect to support all your expenses for the duration of your program.

You will also need to provide this financial documentation at your visa appointment at the US Embassy.

Dependent (Family) Information
If you intend to have your spouse or children accompany you to the US, please submit a copy of their passport biographical page so we can process a dependent (F-2) I-20 for them. They will then need to apply for an F-2 visa. Please also note the additional costs associated with bringing dependents in the information below. The IES office can provide more information about how your dependents can apply for their F-2 visa (ies.umbc.edu), or you can find this information on the US Embassy website where you and your family plan to apply for your visas.
Tuition Information

- Tuition for each semester is billed in advance of the semester start date.
- Tuition is billed based upon credit hours per semester.

The following table gives an overview of the program cost for in-state and out-of-state tuition.

2016/2017 School Year: $944 per credit Maryland Resident (includes fees)
