

IMAGINE how memory care could look in the future.

The Erickson School has joined with the Disney Institute to create a unique experience for you and your colleagues that will stimulate your imagination, present insights from experienced leaders, and provide practical, evidence based, state of the art knowledge to inspire you and transform your thinking about memory care.

Be part of this uniquely interactive and thought provoking event from **January 24 – 26, 2018** at **Disney's Coronado Springs Resort**.

Join us to...

- IMAGINE the advantage of Disney's approach to Leadership Excellence
- IMAGINE if someone gave you a billion dollars to invest in memory care
- IMAGINE the leadership lessons learned from failure
