

Student: \_\_\_\_\_

The Masters in Management of Aging Services (MAGS) is a hybrid learning experience combining online and classroom instruction. Full-time is 9 credits per semester, and a part-time option is available. Part time can be completed in 2-3 years.

The MAGS program concludes with a Capstone Project that combines critical thinking, creative problem solving, and enhanced communication skills.

\*\*\*Total instructional time in and out of class student work per semester (based on 15 weeks) is as follows:

**1 credit** = 37.5 hours/semester | **2 credits** = 75 hours/semester | **3 credits** = 112.5 hours/semester

♦ - Indicates the course is offered online
