

Management of Aging Services

The Erickson School

Student: _____

The Masters in Management of Aging Services (MAgS) is a hybrid learning experience combining online and classroom instruction. Full-time is 9 credits per semester, and a part-time option is available. Part time can be completed in 2-3 years.

The MAgS program concludes with a Capstone Project that combines critical thinking, creative problem solving, and enhanced communication skills

** Total instructional time in and out of class student work per semester (based on 15 weeks) is as follows:
 1 credit = 37.5 hours/semester 2 credits = 75 hours/semester 3 credits = 112.5 hours/semester

◊ - Indicates the course is offered online
