

# CAREERS IN AGING WEEK

**Stephanie Taydus, B.S.**

Stephanie Taydus, Television & A/V Manager at Erickson Senior Living's Oak Crest Community, is a vibrant and creative innovator at the intersection of technology, entertainment, and aging services. In her nearly 5 years at Oak Crest, she has expanded the potential of their television studio, exceeding the expectations of residents and community leaders alike. Stephanie is also co-chair of the My Erickson initiative, an interactive app that connects residents with community information and news via their personal tech devices. Her technical expertise has proved to be invaluable to Oak Crest's community, both in providing vital health information during this pandemic, as well as much-needed entertainment for (and by!) isolated residents. In addition to her experience, Stephanie earned a Bachelor of Science degree in Electronic Media & Film from Towson University, where she was a member of Lambda Kappa Tau, a media production society.
